Selected typeface:

Jibriel

FOUNDRY NAME: **MIKROJIHAD INC.** - LICENSE: **DEMO**

This is the regular weight of Jibriel typeface, created by Mikrojihad Font in 2015. Jibriel is in truetype format, is in a demo version without numbers, contains accented letters for non-english language coverage and has a very complex design, with a big x-height. Jibriel supports four languages: English, Estonian, Albanian, Serbo-Croatian-Bosnian
